Reem Hills

Q4 2025 | Q Properties

📍 Abu-Dhabi, Al Reem Island

apartments, villas, townhouses

from AED 950 per sq. ft. / \$260 per sq. ft.

A mixed-use residential project located in the popular area of Al Rim Island in Abu Dhabi

About the location

Al Reem Island is one of the fastest growing areas in Abu Dhabi. In a short period of time, the island has become one of the most sought-after places in the capital of the UAE. There are several residential neighborhoods and retail stores located here. There are many types of properties to choose from: luxury penthouses, apartments and stunning beachfront villas.

About the project

The project consists of six buildings, united by a single podium and integral architecture - the buildings seem to be laid out in layers and permeated with accents of greenery. The project will include a range of luxury villas and townhouses with 5-7 bedrooms, as well as apartments with 1-3 bedrooms. The interior will combine shades inspired by nature and the bay. The combination of wood, stone and pastel colors will create a real cozy nest.

Amenities

- swimming pool on the podium
- multifunctional gym
- sports grounds
- walking areas
